PRIVACY POLICY

1. Types of Information We Collect

We use technologies like cookies (small files stored by your browser), web beacons, or unique device identifiers to anonymously identify your computer or device so we can deliver a better experience. Our systems also log information like your browser, operating system and IP address.

We do not collect personally identifiable information about you. In other words, we do not collect information such as your name, address, phone number or email address.

We do not knowingly contact or collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us so we can promptly obtain parental consent or remove the information.

2. How we Handle Location Data.

We do not use or collect your precise geographic location.

3. Use of Your Information by Duckie Deck

We generally do not share personally identifiable information (such as name, address, email or phone) with other companies.

We do not allow advertising companies to collect data through our service for ad targeting.

Analytics companies may access anonymous data (such as your IP address or device ID) to help us understand how our services are used. They use this data solely on our behalf. They do not share it except in aggregate form; no data is shared as to any individual user. Click to see company privacy policies that govern their use of data.

4. Your Controls and Choices

If you have any questions or concerns about our privacy policies, please contact us:
quack@duckiedeck.com

You can sign into your account to see or delete any personally identifiable information we have stored, such as your name, address, email or phone number. You can also contact us by email to request to see or delete this information.

We remove personally identifiable information (such as your name, address, email or phone number) and other preferences associated with your account promptly after you delete your account. We may retain other data indefinitely.

5. Data Security and Integrity

We take reasonable administrative, physical and electronic measures designed to safeguard and protect your information from unauthorized access or disclosure. This includes utilizing Secure Sockets Layer (SSL) software, which encrypts the personal information you input, and storing your information in encrypted form behind a firewall designed to block access from outside our network. However, no security or encryption method can be guaranteed to protect information from hackers or human error.

Information we collect may be stored or processed on computers located in any country where we do business.

6. In-App Purchases

Our apps may contain In-App Purchase to enable additional content. The In-App Purchases are purchased once and are secured from children access with a simple math task.

7. Disclose User Information in Special Situations Such as Legal Process or Transactions

To operate the service, we also may make identifiable and anonymous information available to third parties in these limited circumstances: (1) with your express consent, (2) when we have a good faith belief it is required by law, (3) when we have a good faith belief it is necessary to protect our rights or property, or (4) to any successor or purchaser in a merger, acquisition, liquidation, dissolution or sale of assets. Your consent will not be required for disclosure in these cases, but we will attempt to notify you, to the extent permitted by law to do so.

This privacy policy was last updated on 21.06.2013. Our privacy policy may change from time to time. If we make any material changes to our policies, we will place a prominent notice on our website or application. If the change materially affects registered users, we will send a notice to you by email, push notification or text.

8. Changes to this Privacy Policy

Our privacy policy may change from time to time. If we make any material changes to our policies, we will place a prominent notice on our website or application. If the change materially affects registered users, we will send a notice to you by email, push notification or text.

9. Comments and Questions
